

COSTA BRAVA,
SPAIN.

"Two
families. Eight
hostages."

"Contained
room with one
point of exit -
the hallway to
the pier."

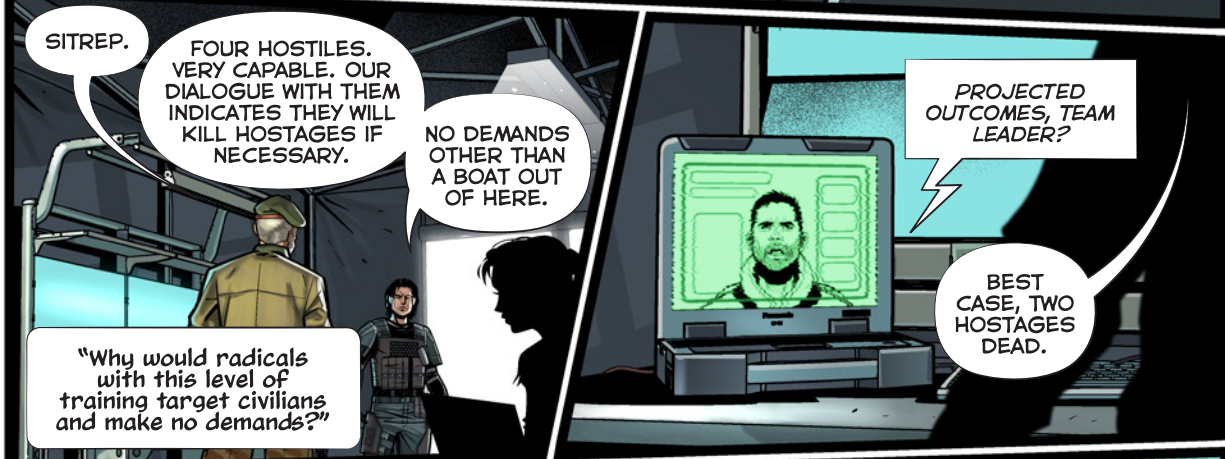

"How do we
get the hostages
out safely?"

FENRIR!

"Kaid. Great leader."

"Doesn't like me very much."

SITREP.

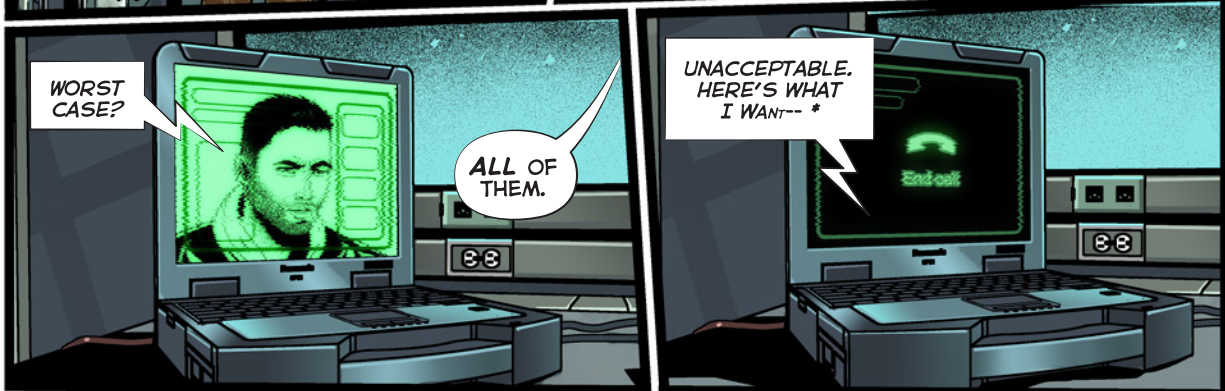

FOUR HOSTILES. VERY CAPABLE. OUR DIALOGUE WITH THEM INDICATES THEY WILL KILL HOSTAGES IF NECESSARY.

NO DEMANDS OTHER THAN A BOAT OUT OF HERE.

"Why would radicals with this level of training target civilians and make no demands?"

PROJECTED OUTCOMES, TEAM LEADER?

BEST CASE, TWO HOSTAGES DEAD.

WORST CASE?

ALL OF THEM.

UNACCEPTABLE. HERE'S WHAT I WANT-- *

LONG-RANGE COMMS ARE DOWN.

SOMETHING FROM INSIDE THE RESTAURANT IS CREATING INTERFERENCE.

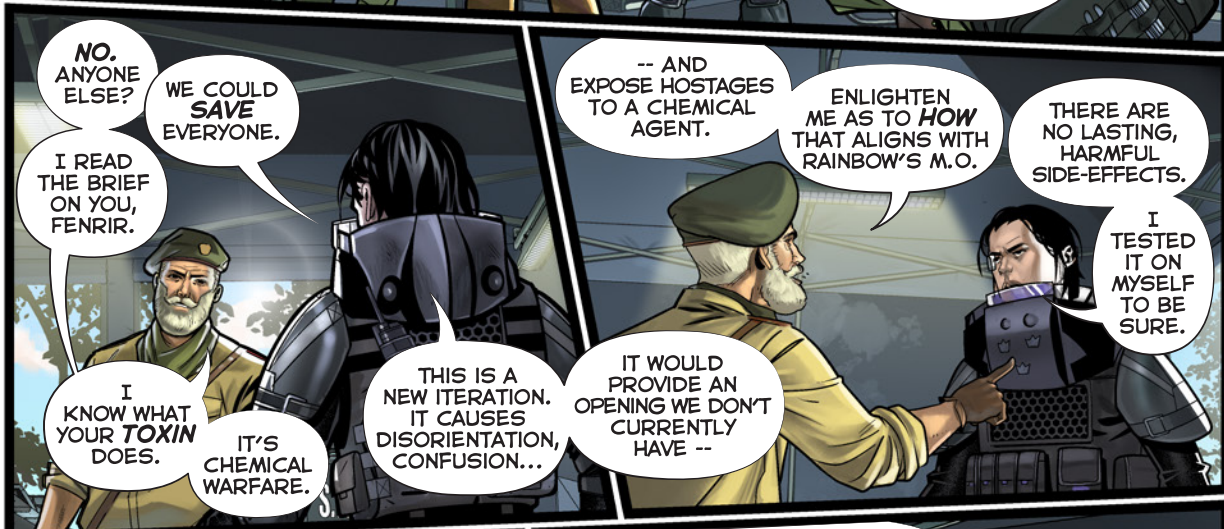

THE
TANGOS
MOVE IN
FIVE.

IF THEY
MAKE IT TO THE
PIER, WE LOSE OUR
EXECUTION WINDOW
AND SHOULD EXPECT
THE WORST.

ANY
LAST-MINUTE
SUGGESTIONS?

"I can't stand
idle while lives
are at stake.
Never again."

I HAVE ONE.
LET'S DEPLOY MY
F-NATT DREAD
MINE.

NO.
ANYONE
ELSE?

WE COULD
SAVE
EVERYONE.

I READ
THE BRIEF
ON YOU,
FENRIR.

I
KNOW WHAT
YOUR **TOXIN**
DOES.

IT'S
CHEMICAL
WARFARE.

THIS IS A
NEW ITERATION.
IT CAUSES
DISORIENTATION,
CONFUSION...

-- AND
EXPOSE HOSTAGES
TO A CHEMICAL
AGENT.

ENLIGHTEN
ME AS TO **HOW**
THAT ALIGNS WITH
RAINBOW'S M.O.

THERE ARE
NO LASTING,
HARMFUL
SIDE-EFFECTS.

I
TESTED
IT ON
MYSELF
TO BE
SURE.

IT WOULD
PROVIDE AN
OPENING WE DON'T
CURRENTLY
HAVE --

PLEASE, KAID,
IF THERE IS EVEN
A **REMOTE** CHANCE
THIS WORKS...

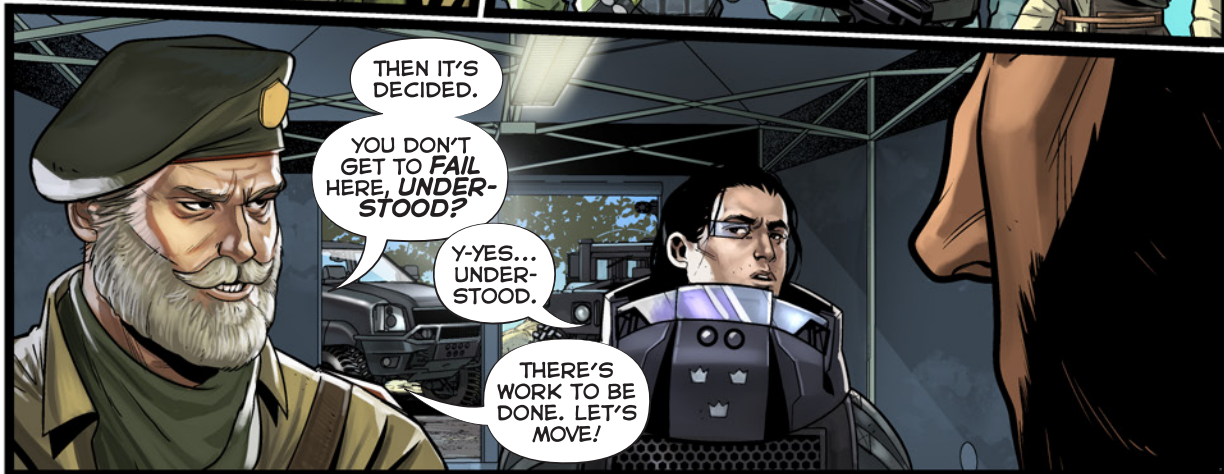

IT'S STILL A
NO FOR ME. BUT...
WE'RE A **TEAM**.

WHAT
DO YOU
ALL
THINK?

I WOULDN'T MIND IF THOSE
KIDS STILL HAD PARENTS AT
THE END OF THE DAY.

SAME.

SÍ.

THEN IT'S
DECIDED.

YOU DON'T
GET TO **FAIL**
HERE, **UNDER-**
STOOD?

Y-YES...
UNDER-
STOOD.

THERE'S
WORK TO BE
DONE. LET'S
MOVE!
